

Every time I turn around it's time to write an article for the monthly newsletter. Time is going fast and this year will be gone before we know it. At Savage School, we are taking the time to enjoy the small things. We have many great programs and exciting things happening that have a tendency to get over looked.

Our cafeteria is trying a new food each month and is teaching the kids about this food. This encourages our students to try new things. They are also encouraging cleanliness, caring, and courteous behavior in the lunch room with a monthly Silver Spoon Award. This is a little thing that makes a big difference.

Our library is encouraging reading with our AR reading program. This program encourages our students to set reading goals and to achieve them. And a pizza party is a fun way to celebrate!

12 high school students are involved in National Honor society. They achieved this by maintaining a 3.5 accumulative GPA. They recently held a food drive for the Richland County Food Bank. It really is the little things that make a big difference.

I wish you all a great holiday season and remember to enjoy the small things that come along with the busy season.

Science and Math Exploration for Middle School Girls

The 26th Annual Expanding Your Horizons in Science and Mathematics (EYH) Conference will be held on Saturday, March 30, 2019, 8:30 a.m. to 3:30 p.m. at Montana State University in Bozeman.

The focus of this workshop is to encourage young women in grades 6 – 8 to explore a variety of math and science related professions through fun and creative hands-on workshops. **Conference registration will open March 4, 2019 and cost is just \$30.00 which includes lunch and supplies.** Space is limited to 240 participants and is determined on a first-come basis. Register early!

Registration forms will be sent to the schools the beginning of March. Students may also learn more about the conference at <http://ato.montana.edu/eyh/index.html>. And registration forms will be available online after March 4.

For further information or questions contact EYH Program Manager Nicole Soll at (406) 994-6633 or nicole.soll1@montana.edu
