## **I. INTRODUCTION:**

The School Board and the Administration of the Savage Public Schools, in support of the aims of public education, believes the behavior of students attending the public schools shall reflect standards of good citizenship demanded of members in a democratic society. Self-discipline, responsibility of one's actions, is the most important goal at our school. Students and parents must also recognize that while education is a right of American youth, it is not an absolute right. The courts speak of education as a limited right or a privilege; that is, should the pupil fail to perform those duties required of him upon attendance in public school, he may then be excluded from the school.

Savage students represent the community, the school, and their families when attending or participating in school sponsored activities. With this in mind, students shall conduct themselves in an appropriate and responsible manner while in the school building, on school property, on school buses, and while present at any school function either home or away. The consumption, apparent consumption or possession of dangerous drugs, tobacco in any form, or liquor, by students, regardless of age, while under school supervision is prohibited. Based upon reasonable suspicion, students may be required to submit to a breath or oral swab alcohol test. It is a violation of federal law, while on school property or at school functions, for students to have in their possession any form of weapon. Refer to the District's definition of weapons. Additionally, inappropriate displays of affection will not be allowed.

Assault, defiance, vandalism, network vandalism, and disregard for the rights and property of others are serious offenses and will be dealt with accordingly.

Any Student who violates rules and regulations as outlined in this handbook will be informed what rule or regulation has been violated and what action is being taken against him or her by school personnel. Preceding the assessment of such punishment, the staff member shall inform the student of the nature of the offense charged, and/or the specific conduct which allegedly constitutes the violation, and a behavior report has been filed with administration. The student shall be afforded an opportunity to explain or justify his/her actions to the staff member and a member for the administration.

## **II. STUDENT RIGHTS:**

1. To have a safe and healthy learning environment.
2. To learn in a drug-free, smoke free, and violence free environment.
3. To be respected as individuals and to be treated fairly.
4. To learn without disturbance or distraction.
5. To have personal property respected and protected.
6. To appropriately express views and to be heard.
7. To be exposed to competent teachers and positive adult role models.
8. To be challenged with materials and instructional techniques that match the abilities and learning styles of students.

## **III. FREEDOM OF EXPRESSION**

Students shall enjoy the privilege of free verbal and written expression providing such expression does not violate school policy or disrupt the educational atmosphere of the school. Students are responsible for the audio and video material that they play while in school or while attending all school sponsored activities. The principal, teacher, supervisor, shall have the authority to monitor student verbal, written, or digital media. Student will be held accountable for the contents of all digital media in their possession during school or school related activities. Students who violate the above standards shall be subject to the administrative plan.

## **IV. STUDENT HANDBOOK RULES EXCEPTIONS**

The Savage School Board will rule on requests for consideration of exceptions to its student handbook rules. Exceptions will be considered on a case by case basis. To be considered, the request must be in written form and must state the rule for which the exception is requested, the rationale for the exception and the names of the student or students involved. Exceptions, need to be requested in advance when possible and must be delivered to the Superintendent 48 hours or more, in advance.

#### C. PRIVILEGES

The use of the internet is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The system administrators will deem what is inappropriate use. The system administrators may close an account at any time as necessary. The District has the right to restrict or terminate internet access at any time for any reason. The District further has the right to monitor internet activity in any form that it sees fit to maintain the integrity of the network...

## IX. GENERAL RULES

### A. DRESS CODE

Personal appearance and hygiene reflect an individual's character and innermost being. Appropriate, neat and clean attire compliments the great educational atmosphere that we have at the Savage School! It is the co-responsibility of each Savage School parent and their student to monitor that student's attire and appearance. Student appearance should be governed at all times by what is appropriate, what is clean and neat, and what reflects our community's standards and values.

1. THE FOUR B'S SHOULD BE ENFORCED: no breasts, no backs, no bellies and no butts.

Guidelines that will apply to student dress code include 1 inch top straps on shirts, tops and dresses; top clothing that does not reveal midriff, cleavage or underwear; shorts, skirts, and dresses that pass mid-thigh. Cut-offs are not allowed, also "wife-beaters" will not be allowed; clothing with offensive, obscene or suggestive prints, lettering or picture, or clothing that advertises alcohol, tobacco or questionable products. In cases where there is a question about the appropriateness of any item of attire, the superintendent will determine what is appropriate! Students with inappropriate clothing will either remain in the office until more appropriate clothing is brought from home, or they will be sent home to change. Any school time missed will be considered as being absent and disciplined as such.

2. CAPS AND HATS

Students will remove caps and hats and leave them off at all times in the school building during the school day.

## **B. DANCE REGULATIONS**

Dances are hosted for the students. A student attending is not allowed to exit and re-enter during the dance. Once the student is out, the student stays out. Savage students with non-Savage student guests are responsible for their guest's conduct.

Rental of video machines, tapes, games and/or pay per view movies must be paid for by the student renting the equipment or watching the movies in advance of such use. At no time should video equipment, tapes, games, and/or movies be billed to Savage Schools. Students may not bring personal tapes to be viewed unless there is pre approval by the sponsor/chaperone.
5. Cell phone use during practice, a game, or an organized team activity is prohibited. Coaches and/or Sponsors have the right to confiscate student cell phones on overnight trips.
6. Students are not permitted to leave the facility in which their coach/sponsor is present without specific permission from their coach/sponsor in advance of the student's departure. When permission is granted to leave the facility by the coach/sponsor, the student(s) must sign out with the coach/sponsor when leaving and sign back in upon their return.
7. One (1) coach/sponsor/chaperone is required for each 18 students who will be in attendance for all District activities travel.

## **O. ACTIVITY TRANSPORTATION**

Because of the legal implications regarding school district responsibilities and liability for any student involved as a participant in a school sponsored extracurricular activity, participating students will be required to ride school-sponsored transportation to and from any activity taking place away from Savage. This will apply to any student who is a member of a team, music group, cheerleading squad, pep bus or any other school-sponsored activity involving students as assigned participants. It does not include student spectators, except those riding on a pep bus.

The only exception will be a written request by a parent for their son/daughter to ride with THEM to/from the activity. The parents must SEE the coach/sponsor and sign a release at the time of the request. If for some reason, the parent may want the student to LEAVE an activity with someone other than themselves, a request must be made in writing PRIOR to the scheduled activity and must be pre-approved by the activities director or another Savage Schools administrator. Any person providing transportation for student activity members, with a specific request from the parent as previously outlined, must meet one of the following qualifications: 1) an immediate family member; sister/brother, grandparent, and/or adult 21 years or older. This person(s) must SEE the coach/sponsor and sign the student out prior to leaving the activity. The 2<sup>nd</sup> exception will be if the student's parent has signed an AUTHORIZATION TO RELEASE FROM ACTIVITY AND RISK ACKNOWLEDGEMENT FORM which is available at the front office. As a condition to be dropped off and released from an activity at a location other than Savage High School, you must complete this form. If a parent would like their student to depart from the Savage Public Schools activity bus at the designated location, they must carefully read and sign this document. This departure and accompanying form is strictly voluntary.

Any participant who arrives late for a coach's/sponsor's announced leave time will NOT be allowed to participate in the activity for that day.

IT SHOULD BE UNDERSTOOD THAT:

1. Under no circumstances is a student permitted to drive the vehicle.
2. Students are expected to use seat belts at all times the vehicle is in motion.
3. Students must comply with ALL Savage School District rules.

**IF A SCHOOL BUS IS TO BE USED:**

1. Students are to remain in seats while the bus is moving, (this must be strictly enforced).
2. Students must properly dispose of all waste material in the receptacle supplied (if food or beverages are allowed on the bus).
3. Students must keep the noise level below that which disturbs the driver.
4. Students must comply with all behavioral requirements of the bus driver, coach/sponsor and chaperone(s).
5. Beverages will be allowed in District vehicles only if they have lids.

All students attending an activity which requires transportation will ride the bus to that activity. They may ride home with their parents. Their parent(s) / or guardian(s) must submit a written request with the coach and / or sponsor, before their child will be permitted to leave with them.

**School employee family members may ride the bus to games when their parents are acting as a representative of Savage Public School using the following guidelines:**

1. **Permission from the bus driver.**
2. **Administrator approval.**
3. **Each decision will be determined case by case with extenuating factors taken into consideration.**

**P. OVERNIGHT TRIPS**

1. Students will be given an agenda and a tentative time schedule for student and parent information. Students will be responsible for seeing that their parents receive this information.
2. No student will remove, damage, or deface the property of any motel, restaurant, etc.
3. Riding in vehicles other than school provided or sponsored will not be permitted.
4. It is recommended that Coaches and Sponsors confiscate cell phones prior to "lights out". Students then can collect their personal cell phone at the beginning of the next day. Parents will be provided with cell phone number of coach/sponsor as well as the motel number in case of emergency.

**Q. LODGING**

When student travel requires overnight accommodations the activities office will make arrangements in advance of the group/team departing Savage. In severe weather situations, poor road conditions or mechanical difficulties, arrangements may need to be made without prior knowledge.

Motel/hotel reservations will be made on the basis of availability, appropriateness and cost. Rooms will be reserved to allow not more than five (5) students to a room, but in all cases, each student will be provided a bed for sleeping purposes. Not more than two (2) students per double bed will be allowed. (Ex. 5 students would have 2 double beds plus one roll-away).

Separate accommodations for male and female students will be provided.

If any emergency should arise on a trip, (e.g., adverse road conditions, injuries or major infraction of rules), the activities director and/or administrator will be contacted by phone as soon as possible. Parents will then be notified by the most efficient method. If there is a major infraction of rules by a student, parents/guardians will be asked to come pick up their child.

**R. MEALS DURING TRAVEL**

Meals will be provided to students traveling AWAY from Savage under the following guidelines:

1. HIGH SCHOOL -The only meals provided for high school athletes/participants will be at district/divisional/state competitions, road trips that exceed 120 miles,
2. Competitions that require an overnight stay.
3. MIDDLE SCHOOL - Lunch and dinner meals will be provided THE SECOND DAY for middle school athletes/participants at tournaments that extend beyond one (1) day.

When meals are provided by the District, the following meal allowances will be adhered to:

Breakfast \$7.00

Lunch \$8.00

Dinner \$12.00

Daily total: \$27.00

NOTE: Meal amounts MAY be accrued for ONE day. These amounts are MAXIMUM. Specialty Drinks and/or desserts are the student's responsibility. A 15% gratuity may be added.

## **S. STATEMENT OF RISK**

Students and parents/legal guardians should be aware that athletics and many activities involve the potential for injury. Even with the best of coaching, professional trainers, the use of the most advanced protective equipment and strict observation of rules, injuries are still a possibility. On rare occasions these injuries can be so severe as to result in total disability, paralysis, or even death. Parents/legal guardians must assume the responsibility for expenses for any injury received in practices or games. No student may participate in sports or activities without the required forms filed, such as a current physical examination by a licensed health care professional, participation consent forms, and any other such required forms. Savage Public School District does not carry primary insurance on students.

## **T. PARENT INVOLVEMENT, RESPONSIBILITIES, AND RIGHTS**

The District believes that the best educational result for each student occurs when all three partners are doing their best: The District staff, the student's parent, and the student. Such a partnership requires trust and much communication between home and school. To strengthen this partnership, every parent is urged to: Follow the established **chain-of-command when a question arises**.

General issues that can occur should be handled in the following order:

1. Player to Coach
2. Player/Parent to Coach
3. Player/Parent to Athletic Director
4. Player/Parent to Superintendent
5. Player/Parent to Local School Board
