Tamara Crowder presented information about new plans for the upcoming year. Lots of discussion about a higher deductible and a HSA (Health Savings Account.) We will not be able to use a Flex account with the HAS and you must have a high deductible plan to have the HAS. This plan will actually save money by less out of pocket total and by having pre-tax money to use for medical bills. The amount that can be put into an HSA is \$3,300.00 per year or \$6,200.00 for a couple. However, the IRS year runs January to December and the school year runs July to June so it would be about half of the \$3,300.00. The teachers present were interested and will take this information back to the union.

The next meeting will be on April 27th, 2015 at 7:00 p.m. for negotiations.

The meeting adjourned at 7:40 p.m.
